Re: APPRECIATION

Kindly refer to the above caption.

On behalf of Musoma Municipality, I would like to appreciate to the support that has been delivered to our community especially at schools.

Your organisation is among few which assisted us with electricity support and computers at Mukendo Primary School as well as Desks, Toilets and Classroom at Iringo Primary School.

In that instance, once again on behalf of Musoma municipal council I thank you very much for the support that render simplicity on studies to our students/children.

It is my hope that our cooperation will linger longer.

Alex Kisurura
MAYOR
